

"Heather's Trio gave one of the most entertaining, artistic, and engaging performances we've hosted in our 46 years! Their consummate musicianship, gorgeous vocal harmonies, and excellent songwriting held me and our full-house audience spellbound. Individually, the three of them are terrific. As a trio they are astounding... The walls of our little venue hold many wonderful sounds and memories. We've just added some of the best."

The **Heather Pierson Acoustic Trio** burst onto the national folk scene in 2015 with their debut EP, *Still She Will Fly*, whose title track was the #2 single on the Folk radio charts that same year, and three other songs were in 2015's Top 100 Folk singles. The trio's full-length debut, *Singin'*, releases on June 30, 2017, the tenth release on Heather's own record label, Vessel Recordings. It features Heather's multi-genre songwriting, their intricate instrumental arrangements, and stirring three-part vocal harmonies. *Singin'* is a document of ten originals and two classics, spanning from the streets of New Orleans to the valleys of Appalachia.

Heather Pierson (*lead vocals, acoustic guitar, tenor banjo, piano*) is an award-winning singer/songwriter and performer. With eight previous solo recordings under her belt, Heather's wise-beyond-her-years songwriting, angelic voice, and world-class chops have catapulted her into the spotlight.

Davy Sturtevant (*cornet, dobro, fiddle, mandolin, harmony vocals*) is a veteran touring artist, producer, engineer, songwriter, and performer. Armed with a gorgeous tenor voice and a mighty arsenal of instruments that come to life in his capable hands, Davy is at once a witty, thoughtful, and engaging musical presence.

Shawn Nadeau (*bass, harmony vocals*) brings a rock solid thump and nearly two decades of performing experience to the trio, informed by a wide spectrum of unique rhythmic and melodic sensibilities ranging from rockabilly to reggae to jazz.
